Through the Loving Work Foundation and For the Children Viet Nam

**Name:** Le Thi Tuyet Hoa

**Gender:** Female

**Birth Year:** 2007

## **Family Information:**

**Father's Name:** Le Van Dung. He is a fisherman. The income from this job is not stable. Due to the situation of fishing in VN recently, they become jobless.

**Mother's Name:** Le Thi Tuyet. She is a street vender. She is selling whatever her husband had from fishing or the farm products of the people in village. She can earn about 3 usd per day for this business.

They have 4 children, one is 11th grader, one is 9th grader, one is 4th grader and one is in kindergarten. It is really hard to keep all of the 4 children at school since the father become jobless due to the disaster caused by Formosa in the sea.

Le Thi Tuyet Hoa is currently studying at class 4a Tran Quoc Toan primary school.

# SPONSOR A CHILD IN NEED

Through the Loving Work Foundation and For the Children Viet Nam

**Name:** Nguyen Huynh Thuy Trang

**Gender:** Female

**Birth Year:** 2003

## **Family Information:**

Father is working as a wall painter for houses but there is not always work for him during the year. It depends on the season of the year so the income for this job is not stable.

Mother's Name: Huynh Thi Dieu. She is a street vendor. She works really hard from early in the morning to night time but she can earn very little from the hard work. The living of the whole family is on her shoulders. The school fee for Thuy Trang and her younger sister in kindergarten is overload for her mother.

Trang is a very smart student at school, she is keen on studying as she always knows she may be asked to leave school when her mother cannot pay for her any more.

Trang is currently an 8th grader at Kim Dong secondary school.

Through the Loving Work Foundation and For the Children Viet Nam

**Name:** Phan Thi Hong Nhu

**Gender:** Female

**Birth Year:** 2007

## **Family Information:**

**Father's Name:** Phan Chau Tuan.  
He cleans motorbikes. He earns 2.5mil/month(115usd/month).

**Mother's Name:** Nguyen Thi Nhung.  
Selling fish around the village, she earns 70,000vnd/day (3usd) if there are fishes to sell.

Their second child is in kindergarten. They don't have home. They stay in their cousins home. The income from mother's job as selling fishes is not stable since the scandal of Formosa, people are fear of eating fishes and that makes fisher man lost their job and hard to find any another job to make their living.

Phan Thi Hong Nhu is currently studying at class 4a Tran Quoc Toan primary school.
